

## Sensory Figure Assignment

You must *appropriately* complete the sensory figure from one of the perspectives on the gladiator games in Ancient Rome. Your sensory figure must include each of the items indicated below in the task chart. Each statement must show you understand the role of the perspective you have selected. Be as **specific** as possible.

Task	Points Possible	Self-Eval	Points Earned
<b>Thinking</b> (What would the person be thinking about the gladiator games?)	3		
<b>Feeling</b> (What would the person be feeling (emotionally) about the games?)	3		
<b>Touching/Holding</b>	3		
<b>Saying</b> (What would the person be saying about the gladiator games?)	3		
<b>Hearing</b> (What types of sounds or words might the person be hearing?)	3		
<b>Seeing</b> (What would the person be seeing?)	3		
<b>Standing on/Walking Through</b> (Where would the person be? Create the setting.)	3		
Visually appealing/Neat/Color (Up to you to include)	3		
All statements are complete sentences.	7		
<b>Total Points Possible</b>	31
